## Outstanding Location! 6 month lease only

Don't let the street name turn you away! This renovated and private townhouse is elevated and set far back from Hampton Rd.

This townhouse consists of an open plan lounge and dining, over looked by the kitchen - electric stove and oven. Lots of natural light floods the living space, wooden flooring throughout the ground level plus a reverse cycle split system. Laundry with rear yard access and built in storage - plus security screens to all doors and windows.

Upstairs you will find a well appointed bathroom with a toilet (no bath) and two nicely sized bedrooms. Both with built in robes and ceiling fans - plus air con to the master bedroom. Make the most of the Fremantle Doctor by leaving the secure balcony door open off the master bedroom. The balcony area is privately positioned behind established trees and offers Fremantle Port glimpses.

Rare to find in Fremantle - the rear courtyard is spacious with easy care established gardens, built in BBQ, garden shed and securely gated. Plenty of parking available also!
